Sir,

In reply to your letter No.5906/Muz.659-21-2 dated the 25th April 1922, calling for a more detailed report about the Nanjangud Temple Car, I have the honor to state that the procession started shortly after 5 A.M. on the 8th instant and the Car was dragged to the vicinity of the Palace by 8 A.M., where it remained until the arrival of His Highness about 11-30 A.M. The near fore wheel of the Car had by this time developed signs of breaking down and was giving trouble. The Engineers present were trying to put things right, but as it took some time, the Car was dragged in front of the Palace about noon and His Highness offered worship and received prasadam. The Car was then moved a short distance to allow His Highness' Motor Car to draw up for His Highness to get in and depart, which he did about 12-30.

The Car remained where it was till about 5 P.M. when it was pulled in front of the Police Station, but there it stuck, and, inspite of best endeavours, could not be moved further that night.

More repairs were done to the broken down wheel

and

and the Car was dragged to its destination by 8 A.M. next morning.

I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner,

Mysore District.
